# AVIATION ACCIDENT BENEFIT

## Aviation Accident Benefit

---

US\$ 100,000 cash benefit will be payable to your heir(s) in the event of your death as a result of an aviation accident.

The event causing death must be associated with the actual flight, from embarkation to disembarkation. The following incidents, for example, are excluded:

1. An accident in the departure lounge or airport terminal.
2. A fall on the aircraft stairs - either upon departure or arrival.
3. Injuries or disabilities resulting from an aviation accident are not covered.

## Exclusions

---

1. Cover will not be offered for airline tickets to the following destinations:
  - Afghanistan
  - Democratic Republic of Congo
  - Iraq
  - Iran
  - North Korea
  - Somalia
  - Northern Sudan
2. Cover is limited to aircraft that can carry a minimum of 41 fare-paying passengers.
3. Other exclusions – War, invasion, act of foreign enemy, hostilities or warlike operations, civil war, military rising, terrorism, insurrection, rebellion, revolution, military or usurped power, martial law, mutiny or riot or civil commotion.

## Other Terms and Conditions

---

Read the Aviation Accident Benefit [Terms & Conditions](#).

## Your policy documents

---

Once you have purchased your travel insurance we will send you an email with links to the following documents for printing.

1. Travel Insurance Policy Schedule
2. Policy Terms and Conditions
